Hello,

Under the California Public Records Act, GOV sec. 7920.000-7931.000, as well as the California State Constitution, art. I, sec. 3(b)(7), I hereby request the amount expended by the District on the following services:

- GoGuardian, as paid to Liminex, Inc. d.b.a. GoGuardian
- Gaggle, as paid to Gaggle, Inc.

If any clarification on this request is required, please contact me using this email address or at [apark0006@student.cerritos.edu](mailto:apark0006@student.cerritos.edu), or by SMS or RCS at (562) 299-8551.

I seek this information for the benefit of the public, so that they can be made aware of how taxpayer funds are being used.

Please provide an initial response by March 30, 2023, so as to be within the 10-day (not businesses or instructional) boundaries of the California Public Records Act.

If the District deems that there are documents eligible for disclosure, please provide them in a digital format. If the records currently exist on paper, and the District is willing to use its resources to scan them, that would be preferred; otherwise, I can scan the documents myself.

Thank you.
