Hello,

I am requesting copies of all logs currently held which contain information about my searches or website visits on the Cerritos College network, to the fullest extent possible. I have logged in consistently via the Cerritos Guest AP, using the credentials "Amy Parker" for my name and "apark0006@student.cerritos.edu" for my email address when logging in. Please return this request as soon as possible.

Thank you.

Amy Parker

Hello Amy,

The attached correspondence constitutes the Cerritos Community College District's ("District") response to your California Public Records Act ("CPRA") request received by the District via email on January 13, 2023.

Please let me know if you have any questions.

Thank-you

Felipe R. Lopez

Hello,

1. This was not sent as a CPRA request, but if you wish to transpose it into one, that works.
2. In that case, please give me all the logs you have available.

Further,

3. The Cerritos WPA endpoint almost never works for logging in anyways. I've never seen any other student log into it successfully, and I've tried myself almost a hundred times to no avail.
