Proposal - Center for Cybersecurity - 09212015.pdf;

Dear Ms. Parker:

We received your August 28, 2023 Public Records Act request for the following records:

The proposal for the “Center for Cyber Security” in or after 2015 from the College of Engineering and Computer Science.

We also learned that you requested this information from Professor Mikhail Gofman and the Dean’s Office of the College of Engineering and Computer Science. Please consider this to be a consolidated response from all areas.

CSU has conducted a reasonable search for these records under California Government Code §7922.535 and has determined that your request, either in whole or in part, seeks copies of disclosable public records. CSU will make available to you any that are public. Please find the requested information attached.

If you wish to inspect the records at California State University, Fullerton, you may contact me to schedule a mutually convenient date and time. If you wish to receive copies instead, CSU may charge the direct cost of duplication (20 cents per page). Once the records are located, we will advise you as to the exact number of pages upon which any charge will be based. We will require full payment before we begin the redaction and duplication process.

Sincerely,

Anne Grogan (*she/her*)
