Below is a link with responsive records.

I was going to send out first thing tomorrow morning since today is a Sunday but certainly don't want to violate the law.

Hello,

I hereby request, under Division 10 (commencing with Section 7920.000) of Title 1 of the Government Code (also known as the "California Public Records Act"), copies of **all purchase orders and contracts, as well as expenditures information if stored in a compiled form by OCFA, pertaining to OCFA helicopter operations out of Fullerton Municipal Airport (ICAO code KFUL), from October 1, 2021 to September 30, 2023**, not otherwise prohibited from disclosure.

I request the documents in electronic format; if the documents are only in physical format, I request that they be scanned at no cost. If a cost is required, I will exert my right to scan the documents using my own equipment and to view them in person pursuant to GOV 7922.525.

If any documents are nondisclosable, those documents should be segregated, and the disclosable documents provided. If content on/materials in the documents are nondisclosable, those should be redacted pursuant to GOV 7922.525(b).

If you have any questions about this request, you can contact me at this email address, or at (562) 299-8551 by SMS or RCS (phone calls may not always be returnable).

If any segregations are performed, or this request is denied in its entirety, please note that under GOV 7922.540, the names of *all* individuals involved in the denial of the record must be provided.

Under GOV 7922.535(a), the records must be provided within ten calendar days; as such, please provide the records by no later than October 21, 2023 (with intentional delays to or beyond that point prohibited by GOV 7922.500).

I am aware that OCFA has a public records request form; however, I am electing not to use it at this time, as is my right under California law.
