The Bagley-Keene Acto does not apply to department meetings.

Thanks,

Hello,

I looked up Bagley-Keene, and found the following section, which would make the meetings disclosable:

11124.1(b) Any audio or video recording of an open and public meeting made for whatever purpose by or at the direction of the state body shall be subject to inspection pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), but may be erased or destroyed 30 days after the recording. Any inspection of an audio or video recording shall be provided without charge on equipment made available by the state body.

Since the request was evaluated under Bagley-Keene, as per our recent meeting, and the meetings are open meetings (GOV 11123 - the meetings have not been declared closed per the copies of agendas I've received for the meetings), was this section reviewed in the denial?

Dear Ms Parker:

We received your August 29, 2023 Public Records Act request for the following records:

**Under the California Public Records Act, GOV sec. 7920.000-7931.000 (and in particular under Section 7922.535), I hereby request the recordings of every "Department Meeting" held during the 2022 calendar year for the Computer Science Department.**

CSU has conducted a reasonable search for these records under Government Code §7922.535 and has determined the request calls for documents that are not disclosable under the Public Records Act.

- Employee records that include personal information, the release of which would constitute an invasion of personal privacy. Cal. Govt. Code §§7927.700, 7928.300, 7922.000.
- Materials that reflect student education records or may violate student privacy. Cal. Govt. Code §§7927.705, 7922.000; 21 U.S.C. §1232g.
- Cal. Govt. Code §7927.705; Cal. Const. Art. 1, §1.
- Records that reflect the deliberative, decision-making process of the CSU, which often involves multiple individuals, who need to converse about issues candidly. Cal. Govt. Code §7922.000; Times Mirror Co. v. Superior Court (1991) 53 Cal.3d 1325; Montrose Chemical Corporation of California v. Train (D.DC 1982) 491 F.2d 63; Rogers v. Superior Court (1993) 19 Cal. App.4th 469.
- Records where the public interest against disclosure outweighs the public interest in disclosure. Cal. Govt. Code §7922.000.

The decision that records are exempt and will not be disclosed was made by the Records Access Officer at CSU Fullerton, Anne Grogan.

Sincerely,

**Anne Grogan (*she/her*)**

Hello,

Under the California Public Records Act, GOV sec. 7920.000-7931.000 (and in particular under Section 7922.535), I hereby request the recordings of every "Department Meeting" held during the 2022 calendar year.

These recordings are required to exist under the pandemic-era amendments to the Ralph M. Brown Act, GOV sec. 54950-54963. If the recordings do not exist, please indicate as such.

Due to the items being simply copied electronically, which carries no direct costs, no fees should be assessed for this request.

The University is obligated to provide the records as soon as possible, without delay or obstruction (GOV 7922.500), and within no more than ten days; as such, please provide the records no later than September 8, 2023.

Thank you.
