The Contractor shall take out and maintain at all times during the life of this contract the following policies of insurance:

A. Compensation Insurance.

1. Before beginning work, the Contractor shall furnish to the City a certificate of insurance as proof that it has taken out full compensation insurance for all persons whom the Contractor may employ directly or through subcontractors in carrying out the work specified herein, in accordance with the laws of the State of California. Such insurance shall be maintained in full force and effect during the period covered by this Contract. Further such policy of insurance shall provide that the insurer waives all rights of subrogation against City and its elected officials, officers, employees, volunteers, and agents.

2. In accordance with the provisions of Section 3700 of the California Labor Code, every Contractor shall secure the payment of compensation to his employees. Contractor, prior to commencing work, shall sign and file with the City, a certification as follows:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for worker's compensation or to undertake self insurance in accordance with the provisions of that Code, and I will comply with such provisions before commencing the performance of the work of this contract."

B. General Insurance Requirements

1. Types of Coverage. Contractor shall maintain the following insurance coverage throughout the term of this Contract, and upon request Contractor shall show City evidence of such coverage, which may include visual inspection of all policies, copies of declarations page, endorsements signed by an authorized representative of the underwriting company, or certificates of insurance. Insurance coverage shall be provided in the following form:

- a. Insurance Services Office Commercial General Liability coverage occurrence form number CG 00 01 11 85 or 88.
- b. Automobile Liability insurance with coverage at least as broad as Insurance Services Office Form Number CA 0001 06 92 covering "Any Auto" (Symbol 1).
- c. Workers Compensation insurance as required by the State of California and Employer's Liability insurance.

2. Minimum Limits of Insurance. Contractor shall maintain insurance coverage limits no less than:

- a. General Liability: \$2,000,000 per occurrence for bodily injury, personal injury, and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit, and shall contain specified language creating a duty to defend against any suit seeking damages.
- b. Automobile Liability: \$1,000,000 per accident for bodily injury and property damage.
- c. Employer's Liability: \$1,000,000 per accident for bodily injury or disease.

C. Deductibles and Self-Insured Retentions. Any deductibles and/or self-insured retentions must be declared to and approved by the City. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City, its officers, elected officials, employees, agents, and volunteers; or, the Contractor shall provide a financial guarantee satisfactory to the City, guaranteeing payment of losses and related investigations, claim administration and defense expenses.

D. Other Insurance Provisions. The Contractor and City further agree as follows:

1. All insurance coverage and limits provided pursuant to this Contract shall apply to the full extent of the policies involved, available or applicable. Nothing contained in this Contract or any other agreement relating to the City or its operations limits the application of such insurance coverage. Nothing contained in this Section is to be construed as affecting or altering the legal status of the parties to this Contract.
2. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only and is not intended by any party to be all inclusive, or to the exclusion of other coverage, or a waiver of any

type.

3. For any claims related to this Project, the Contractor's insurance coverage shall be primary to any other similar insurance. Any insurance or self-insurance maintained by the City, its officers, employees or volunteers, shall be excess of the Contractor's insurance and shall not contribute with it.
4. The City, its officers, elected officials, employees, agents, and volunteers are to be covered as additional insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Contractor and with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance, or as a separate owner's policy.
5. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be deemed to be in furtherance of or towards, performance of this Contract.
6. All general or auto liability insurance coverage provided pursuant to this Contract, or any other agreements pertaining to the performance of this Contract, shall not prohibit Contractor, and Contractor's employees, or agents, from waiving the right of subrogation prior to a loss. Contractor waives its right of subrogation against City.
7. In the event any policy of insurance required under this Contract does not comply with these requirements or is canceled and not replaced, City has the right but not the duty to obtain the insurance it deems necessary and any premium paid by City will be promptly reimbursed by Contractor.
8. Contractor shall provide proof that policies of insurance required herein expiring during the term of this Contract have been renewed or replaced with other policies providing at least the same coverage. Such proof will be furnished within 72 hours of the expiration of the coverages.
9. Any actual or alleged failure on the part of City or any other additional insured under these requirements to obtain proof of insurance required under this Contract in no way waives any right or remedy of City or any additional insured, in this or any other regard.
10. All insurance coverage shall contain a provision that prohibits cancellation, modification or lapse without thirty (30) days' prior written notice from insurer to the City. Contractor agrees to require its insurer to modify the certificates of insurance to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation imposes no obligation, and to delete the word "endeavor" with regard to any notice provisions.
11. All insurance coverage shall include a severability of interests clause substantially similar to the following: "The insurance afforded by this policy applies separately to each insured against whom a claim or suit is made or suit is brought, except with respect to the limit of the insurer's liability."
12. All insurance coverage shall contain a clause substantially in the following words:

"It is hereby understood and agreed that this policy shall not be canceled nor materially changed except upon thirty (30) days' prior written notice to the City of Buena Park of such cancellation or material change as evidence by a return receipt for a registered letter."

13. All insurance coverage shall cover the operations of the Contractor pursuant to the terms of this Contract.
14. Contractor agrees to provide immediate notice to City of any claim or loss against Contractor that includes City as a defendant. City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City.
15. In the event of any loss that is not insured due to the failure of Contractor to comply with these requirements, Contractor agrees to be personally responsible for any and all losses, claims, suits, damages, defense obligations and liability of any kind attributed to City, or City's employees, or any of the additional insureds as a result of such failure.
16. Coverage will not be limited to the specific location or individual or entity designated as the address of the Project.
17. Contractor agrees not to attempt to avoid its defense and indemnity obligations to City and its employees, agents, officials and servants by using as a defense Contractor's statutory immunity under workers' compensation and similar statutes.
18. Contractor agrees to require all parties or subcontractors, including architects or others, with which it enters into contracts or hires pursuant to or related in any way with the performance of this Contract, to provide insurance covering the operations contracted for and naming as additional insureds all parties to this Contract. Contractor agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided as required here. Contractor agrees that no contract, standard form or otherwise, used by any party in any way connected with this Contract, or contracts Contractor enters into on behalf of City, will reserve the right to charge back to City the cost of insurance required by this or any other agreement.

E. Acceptability of Insurers. Coverage shall be written by insurers with a current A.M. Best's rating of no less than "A:VIII," and be admitted to conduct business in the State of California by the Department of Insurance.

F. Verification of Coverage. Contractor shall furnish the City with evidence of the insurance required by this Section, satisfactory to City, consisting of original certificates of insurance and amendatory endorsements, and an additional insured endorsement at least as broad as Insurance Services Office form CG 20 10 11 85. The endorsements should be on forms provided by the City or on other than the City's forms or a separate owner's policy, provided those forms or policies are approved by the City, and amended to conform to the City's requirements. All certificates and endorsements are to be received and approved by the City before work commences. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements effecting the coverage required by these specifications at any time. Contractor agrees to provide complete certified copies of policies to City within 10 days of City's request for said copies.

G. Subcontractors. Contractor shall include all subcontractors or any other party involved in the Project by Contractor as insured under its policies or shall require subcontractors or any other party involved in the Project by Contractor to carry the same insurance as required herein. Contractor agrees to obtain certificates evidencing such coverage and make reasonable efforts to ensure that such coverage is provided as required here. Contractor agrees to require that no contract used by any subcontractor, or contracts Contractor enters into on behalf of City, will reserve the right to charge back to City the cost of insurance required by this Contract. Contractor agrees that upon request, all agreements with subcontractors or others with whom Contractor contracts with on behalf of City and all certificates of insurance obtained in compliance with this paragraph will be submitted to City or review. Failure of City to request copies of such documents will not impose and liability on City, or its employees.

7. Indemnification.

A. Contractor and City agree that City, its employees, officers, agents and elected officials should, to the extent permitted by law, be fully protected from any loss, injury, damage, claim, lawsuit, cost, expense, attorneys fees, litigation costs, defense costs, court costs or any other cost arising out of or in any way related to the performance of this Contract. Contractor acknowledges that CITY would not have entered into this Contract in the absence of the commitment of Contractor to indemnify and protect City as set forth here.

B. To the fullest extent permitted by law, Contractor shall defend, indemnify and hold harmless City, its elected officials, employees, agents, volunteers and officers ("Indemnitees"), from any and all liabilities, claims, suits, actions, arbitration proceedings, administrative proceedings, stop notices, regulatory proceedings, losses, expenses or costs of any kind, actual attorneys fees incurred by City, court costs, interest, defense costs including expert witness fees and any other costs or expenses of any kind whatsoever without restriction or limitation incurred in relation to, as a consequence of, arising out of or in any way attributable actually, allegedly or impliedly, in whole or in part to the Contractor's performance of this Contract. All obligations under this provision are to be paid by Contractor as they are incurred by the City.

C. Without affecting the rights of City under any provision of this Contract or this section, Contractor shall not be required to indemnify and hold harmless City as set forth above for liability attributable to the sole fault of City, provided such fault is determined by agreement between the parties or the findings of a court of competent jurisdiction. This exception will apply only in instances where the City is shown to have been solely at fault and not in instances where Contractor is solely or partially at fault or in instances where City's fault accounts for only a percentage of the liability involved. In those instances, the obligation of Contractor will be all-inclusive and City will be indemnified for all liability incurred, even though a percentage of the liability is attributable to the conduct of the City.

D. Contractor acknowledges that its obligation pursuant to this section extends to liability attributable to City, if that liability is other than the sole fault of City. Contractor has no obligation under this Contract for liability proven in a court of competent jurisdiction or by written agreement between the parties to be the sole fault of City.

E. The obligations of Contractor under this or any other provision of this Contract will not

be limited by the provisions of any workers' compensation act or similar act. Contractor expressly waives its statutory immunity under such statutes or laws as to the Indemnitees. The Contractor's indemnity obligation set forth in this section shall not be limited by the limits of any policies of insurance required or provided by the Contractor pursuant to this Contract.

8. Antitrust Claims. In entering into this Contract, Contractor offers and agrees to assign to City all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. § 15) or under the Cartwright Act (Business and Professions Code Section 16700 *et seq.*) arising from purchases of goods, services, or materials pursuant to the Contract. This assignment shall be made and become effective at the time City tenders final payment to Contractor without further acknowledgment by the parties.

9. Prevailing Wages. City and Contractor acknowledge that the Project is a public work to which prevailing wages apply.

10. Titles. The titles used in this Contract are for convenience only and shall in no way define, limit or describe the scope or intent of this Contract or any part of it.

11. Authority. Any person executing this Contract on behalf of Contractor warrants and represents that he or she has the power and authority to execute this Contract on behalf of Contractor and has the power and authority to bind Contractor to the performance of its obligations hereunder.

12. Entire Agreement; Modification. This Contract, including the Contract Documents and any other documents incorporated herein by specific reference, represents the entire and integrated agreement between City and Contractor. Each Party to this Contract acknowledges that no representations, inducements, promises, or agreements, oral or otherwise, have been made by any Party, or anyone acting on behalf of any Party, which are not embodied herein. This Contract supersedes all prior oral or written negotiations, representations or agreements. This Contract may not be modified or amended, nor any provision or breach waived, except in a writing signed by both parties that expressly refers to this Contract.

13. Exhibits; Precedence. All documents referenced as exhibits in this Contract are hereby incorporated into this Contract by this reference. In the event of any inconsistency between the express provisions of this Contract and any provision of an exhibit, the provisions of this Contract, then the City's invitation for bids, if any, shall prevail.

14. Counterparts. This Contract may be executed in counterpart originals, duplicate originals, or both, each of which is deemed to be an original for all purposes.

IN WITNESS WHEREOF, the parties hereto have executed the Contract the day and year first above written.

COMMERCIAL GENERAL LIABILITY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED
(Includes Products-Completed Operations If Required By Contract)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that you agree in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only:

- a. With respect to liability for "bodily injury" or "property damage" that occurs, or for "personal injury" caused by an offense that is committed, subsequent to the signing of that contract or agreement and while that part of the contract or agreement is in effect; and
- b. If, and only to the extent that, such injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the written contract or agreement applies. Such person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is subject to the following provisions:

- a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits required by the written contract or agreement, the insurance provided to the additional insured will be limited to such minimum required limits. For the purposes of determining whether this limitation applies, the minimum limits required by the written contract or agreement will be considered to include the minimum limits of any Umbrella or Excess liability coverage required for the additional insured by that written contract or agreement. This provision will not increase the limits of insurance described in Section III – Limits Of Insurance.
- b. The insurance provided to such additional insured does not apply to:

- (1) Any "bodily injury", "property damage" or "personal injury" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:

- (a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and

- (b) Supervisory, inspection, architectural or engineering activities.

- (2) Any "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the written contract or agreement specifically requires you to provide such coverage for that additional insured during the policy period.

- c. The additional insured must comply with the following duties:

- (1) Give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

- (a) How, when and where the "occurrence" or offense took place;

- (b) The names and addresses of any injured persons and witnesses; and

- (c) The nature and location of any injury or damage arising out of the "occurrence" or offense.

- (2) If a claim is made or "suit" is brought against the additional insured:

COMMERCIAL GENERAL LIABILITY

- (a) Immediately record the specifics of the claim or "suit" and the date received; and
 - (b) Notify us as soon as practicable and see to it that we receive written notice of the claim or "suit" as soon as practicable.
- (3) Immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- (4) Tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover such additional insured for a loss we cover. However, this condition does not affect whether the insurance provided to such additional insured is primary to other insurance available to such additional insured which covers that person or organization as a named insured as described in Paragraph 4., Other Insurance, of Section IV – Commercial General Liability Conditions.
