Dear Linh,

We received this Public Records Act request requesting the total expenditures for the 2023 Convocation. As below, if no record exists, the requestor seeks all purchase orders relating to 2023 Convocation.

First, would you please let me know the President's Office has any responsive records?

Second, if you have records, could you please provide me with a reasonable production date that will work for your office? I am required to provide the requestor with a timeframe.

Third, after you have collected the documents, thank you for sending them to me either an email attachment or a dropbox link.

Lastly, thank you so much for your help! Please let me know if you have any questions or concerns.
