

I'm so sorry for not being able to get back to you sooner...I was not expecting this large crowd but very pleased nonetheless

They decided to walk and I tried my best to keep on the sidewalk etc

Thank you all again for your support

Appreciated it so mhcb

Much\*

Of course. I look forward to speaking with you again.

Thank you

Good morning, Detective Myers. If you could give me a call when ever is most convenient for you

Hello Detective Myers, just wanted to let you know that I purchased 2 whistles for my husband and I. We were losing our voices on Monday by telling everyone to stay on the sidewalk 🗣️ so this whistle will definitely get their attention and it will be alot easier.

The group is at 506. There's no telling if that amount will show up, but most likely, the crowd will be bigger than Monday

Good morning, if you get a chance

In regards to the demonstration for tomorrow at 4pm in front of Irvine City Hall

Hi, any updates for the brief text to send?

Not so far. I communicated the request. I do not think it will be granted however.

I just fear that people will come up to me tomorrow telling me, "I told you so"

"For those of you who have voiced your concern over the presence of Irvine Police, be rest assured that our involvement with Irvine PD is to help direct traffic and keep our community safe. Please abide by the laws and don't violate them. If you have or know of any teenagers who are beyond passionate about our message we are trying to send, please have a chat with them and let them know this is a peaceful demonstration and anything dramatic and unlawful will cause more harm than good"

more harm than good

I was thinking of sending this

But not sure

I can't approve or deny anything you communicate tonight the group. But I think you have put thought into your words and your authentic actions will speak loudly.

Thank you.

We will take the same route when we march at 5pm

Just to be extra safe
