Hi Amy,

Please see attached LACOE's Board Policy on homework and makeup work. I have checked with several top level LACOE experts and they've indicated that they don't have documents responsive to this request. However I am checking on some other inquiries. Because it is a broad request, it will take about a month to continue searching for documents. I will provide you an update on or before November 30<sup>th</sup>.

Thank you,

Van Nguyen

Hello,

The fourteen days would apply from the end of the ten days, and you must cite one of the legal reasons for the extension. Until you do so, LACOE remains in violation of the CPRA.

LACOE - sorry, I was using a template I had drafted when I was doing a separate request with CDE.

If there's any policies, that would also be included - but the main part of the request was any:

1. Reports: internal reports drafted by LACOE employees pertaining to homework levels in schools in LA County.
2. Studies: studies conducted by LACOE/departments of LACOE pertaining to homework levels in schools in LA County.
3. Public comments: any messages from the public received by LACOE commenting on the state of homework levels in schools in LA County.
4. Surveys: surveys conducted by LACOE/departments of LACOE about the state of homework levels in schools in LA County.

And yes, I was specifically referring to for K-12.

Thank you.

Hi Amy,

Are you seeking records from the California Department of Education or the LA County Office of Education? We are with the county.

Can you clarify more on what you're looking for? Are you searching for policies on homework assignments for K-12 students?

Thank you,

Van Nguyen
