Hello:

We received the above-referenced California Public Records Act (PRA) request for information regarding:

...copies of all reports, studies, public comments, and surveys held/received by the District from between October 1, 2018, and September 30, 2023, regarding the issue of homework assignments (such as whether to assign homework, how much homework to assign, etc), not otherwise exempt from disclosure

The District has conducted a diligent search and reasonable inquiry for the information requested and is unable to locate responsive records.

After conducting a thorough search of our records, we determined there are no responsive records to your request. With the production of this information, we are concluding this matter, and closing our file.

Thank you for contacting the Los Angeles Unified School District Public Records Act Unit.
