Dear Trustworthy Board members:

I am forwarding to you what Murrieta parents are doing (attached). I plan to go support this effort, and ask that you consider doing the same @ TVUSD.

For years I have included with my children's registration the attached forms I drafted. I have encouraged the silent majority to do the same...many just left Ca.

My husband wants to stay, and I guess I'm in for the battle to protect our children from sexual exploitation, indoctrination, and quite frankly child abuse.

I'm praying my husband will soon come to speak at the TVUSD Board meeting...he is very articulate and well liked...the left-leaning friends even asked him to run for school board not knowing that he does not support these liberal-leaning policies. lol. Anyway, if he doesn't speak up, I will. I will also go door to door when the time comes for possible recall.

Unfortunately I am in Steve's district...I did not vote for him and he needs to go work for the union publically, not under the guise of school boardmember.

In the meantime, I am praying with many prayer

warriors. God Bless you!  
With Faith, Hope, and Love,  
Therese Fairbanks

I had no idea that Harvey Milk was a rapist if not pedophile. Thank you for bringing this to my attention, and ensuring that these so called "heros" are not promoted to our children in the textbooks.

Stay strong and carry on.

Dear brave new board members,

I hear there are talks of a recall. Fear not. I know a good number of Christian's with courage. And I'm praying for you, me, and these friends to have courage like Jesus and his apostles.

I am friends with all types of people, including Some of the recall organizers. I doubt they will remain my friend when I show up in support of my kids, you, and Jesus' teaching. I will still love my neighbor and pray for my enemy. Forgive them for they know not what they do, right.

Do not doubt for a second that good over evil will prevail. Remember Ask+Believe=Receive. Matt. 21:22

Good morning,

I wanted to provide you with a quick update regarding Board Policy 5020.1. I received an email from Christa Matthews, a CSBA Policy Manual Consultant. She informed me that 5020.1 is already being used in their system, so she created 5020.01 Parental Notification for us to list our Board policy. She assured me the slight change in number does not require Board approval, and it still falls in line under 5020 perfectly - [here is a link to view it](#). Let me know if you have any questions. Thank you, and have a great day!

Take care  
Lená
