Subject: Re: Esports 2023 - 2024

Hi Ted,

I'm sorry for only just seeing this message. CCPS email isn't on my phone this year and it looks like I missed it during week-one emails. But as far as eSports goes for this school year, or at least this semester, I'm afraid I was hoping for more access/freedom granted to games that the students could compete in. Unfortunately, if the same two/three games as last year are all that we have to play, then I may have to pull my hat out of the ring, at least for this year. WHS simply does not have enough student demand or interest to support Rocket League and Smash Bros. alone (especially if Smash is only capable of being played locally in school and not online). The students have been discouraged from wanting to participate since many of them were expecting a greater variety, and of games they had interest in. Per their feedback, the gameplay and competitive nature isn't "there" either, as they've expressed that it isn't enjoyable to sit in the classroom and play/compete if they aren't able to communicate with the other team(s) - ie. Discord. We ran into this last year, and while we had a good team of three-four students who made it pretty far with Rocket League, they ended up playing the majority of all matches from home, on their own computers and setups. I'm excited for the future of what eSports can be in the county, but for the past two years, it's only really been a "club" and the students are not expressing excitement or interest about what we currently have to offer. To be frank, I'm not entirely sure WHS or CCPS is even ready to sponsor eSports until there is less "red tape" involved. Since I've taken on a leadership role with Sources Of Strength this year, I also do not have the time for coordinating and scheduling matches like we had to last year with EGFH (especially since the modes of communications were, never consistent, nor were the schedules). I happily look forward to potentially being a "coach" for eSports in the future if the program has more to offer, but for this year, I'm afraid I can't continue to promote or lead the club with the little traction we've received from students, combined with the amount of time/effort that goes into trying to make it successful with what we have. I appreciate your understanding and do look forward to the program's future progress.

Best,
Nick

Subject: eSports updates?

Good afternoon Mr. King,

I hope you had a great Summer. I just wanted to reach out and touch base regarding eSports for this coming school year. This past Spring, you met with Alex and I here at WHS, and we went over some suggestions and concerns with you about the program. I have recently taken over Source Of Strength here, so I will be stretched thin time-wise, but if eSports was going to continue here, I wanted to see if there was anything new we had to offer the students, before determining if we should advertise for our BTS Night. Primarily, were any new games approved over the Summer, or was there any decision to allow Discord to be used by participating students?

Thank you,
Nick Colella

Subject: Pizza money?

Hi Katie,

As we're getting closer to the Oct.5th Sources of Strength "Training Day" we still need to secure lunch for the group that day. We were told that there's likely some funds to use for pizza and to ask you what the verdict is on that. We would looooveeee if that's the case... please let us know if that sounds like something we could make happen 😊

Thank you!

Hello Secondary Admin!

The Carroll County Health Department has received a grant to support Sources of Strength. The Sources Team has decided to hold two Peer Leader Leadership Days; one for middle and one for high. Each school will be provided one bus to transport its peer leaders to Carroll Community College on December 13 (middle) or December 14 (high).

More details will be forthcoming. We just wanted to get the dates out to schools so you can plan accordingly. Please feel free to reach out to me or your assigned trainers if you have any questions.

Happy First Day of School!

Subject: Sources of Strength: Advisor Interest

Hi y'all,

Gretchen and I are excited to be the new coordinators for Sources of Strength this year! We're reaching out to see who is interested in being an adult advisor within the group. It's a great opportunity to make connections with students and staff throughout the building. If you've been an advisor in the past and would like to continue participating, please just let us know, to confirm. We'd love to welcome any new staff to join as well!

Our plan for this year is to have ***one club meeting per month, during flex***. We hope that with this less demanding schedule, it will make it easier on our adult advisors to plan for our activities. As club advisors, we ask that you try your best to be in attendance for the club meetings (we know it's not always easy getting coverage for an advisory class). We'll do our best to communicate with you often, and below you'll also find all of our proposed meeting dates for the year. On October 5th, WHS is scheduled to have its SOS training day. Details to come on the exact schedule, but there will be paid, sub coverage provided, as it does take place here, during a portion of the school day.

Sources is a wonderful, inspiring group and we're happy to be taking it on this year. We've got big shoes to fill following Kim and Emily, but we're eager to continue their great work. Please let us know (by replying to this email) if you're interested and don't hesitate to reach out with any questions you may have! **We ask that you let us know by Wed. 9/6** so that we can begin coordinating.

Thanks, folks! We look forward to working with you 😊

Dates for Sources of Strength Meetings Meetings are during Flex in the Library. (Mr. Colella, Ms. Jahn-Bertram)
Thursday, September 21
Tuesday, October 17
Tuesday, November 21
Tuesday, December 12
Tuesday, January 23
Tuesday, February 20
Tuesday, March 19
Tuesday, April 23
Tuesday, May 21
Tuesday, June 11

Hey Aaron, I'm out a ½ day on Thursday and Friday (both mornings). Can you let me know if the fire drill will be before 11 so I can include that in my sub plans?

Thanks!

Subject: RE: Emergency Drills This Week

Teachers, as a reminder, the secondary exits are on the WHS Staff Information page that Dana made in Schoology. Here's a shortcut link...

If you think your secondary exit doesn't make sense (based on the attached map), just let me know and I can change it.

To: WHS <WHS@livecarrollk12.onmicrosoft.com>
Subject: Emergency Drills This Week

Good afternoon. Here is a summary of the emergency drills at WHS this week:

- Tuesday, September 19 at approximately 9:55 a.m. – **Fire Drill #2** (Announced)
- Wednesday, September 20 at 9:00 a.m. – **Secure Drill**. (This will not disrupt the ordinary day since all we need to do is prevent people from coming into the building for 2-3 min.)

- **Fire Drill #3** on Thursday or Friday
 - Make sure all classes know your primary and secondary exits
 - Make your students aware of what to do if their primary exit is blocked
 - Make sure students know to meet you at your #spot regardless of the primary or secondary exit

Please see me if you have any questions or concerns.

Hello junior class advisors!

The ordering window to purchase class T-shirts for Homecoming this year is VERY tight since Homecoming is so early this year. The online store closes Sept. 13th and NO EXTRA SHIRTS WILL BE ORDERED!

As you put together your Schoology classrooms, please post this link:

<https://stores.bigjoeink.com/whsclassof2025/shop/home>

If you could share this info on the first day of school with students, that would be great too! Thanks for your help!

Subject: Recommended students (Sources of Strength)

Hi all,

As we kick off another year and will have our first Sources of Strength meeting very soon, we're looking for new students to be a part of the group. Particularly, we're looking for those students that come across as the responsible, caring type - who you would think of as a good mentor to peers. If there's a student or two that come to mind, we'd love to involve them in Sources of Strength. Please reply back to **me** (not *all*) via this email if you have a recommendation and include the student's name (grade Lv. &/or advisor would be helpful too, but not necessary)

Thanks a bunch!
Nick

Hello Secondary Admin!

The Carroll County Health Department has received a grant to support Sources of Strength. The Sources Team has decided to hold two Peer Leader Leadership Days; one for middle and one for high. Each school will be provided one bus to transport its peer leaders to Carroll Community College on December 13 (middle) or December 14 (high).

More details will be forthcoming. We just wanted to get the dates out to schools so you can plan accordingly. Please feel free to reach out to me or your assigned trainers if you have any questions.

Happy First Day of School!

Subject: [redacted] drama

Hey all, there is a lot of drama brewing between [redacted] and [redacted] over the past few days. It also seems now that [redacted] has gotten into it as well. I can see both [redacted] and [redacted] becoming more and more agitated and aggravated with each other, despite me telling both of them to just not talk to each other/ignore each other. Apparently there is a lot of "under the breath" things happening/being said that I am missing or things happening in other classes/the hallways/at lunch that is carrying over into our class.

Just wanted to give you all an FYI heads up!

Subject: Flex for

Good morning,

Mom is asking that teachers please flex _____ for your priority day and he should be going to his priority teacher. Below is the day each teacher should flex him. Ms. Tozer he has an A in your class so he doesn't have to come to flex for you unless he has to make up something.

- Monday- He can pick which teacher unless Ms. Tozer needs him
- Tuesday- He needs to go to Ms. Chamelin
- Wednesday stay in advisory for the lesson
- Thursday- He needs to go to Ms. Skinner
- Friday-He needs to go to Mr. Hewins

Mr. James if you can make sure to remind him where to go each day that would also be helpful. Please let me know if you have any questions or concerns. Thanks
