As a volunteer with animal rescue I would strongly and respectfully like to voice my disagreement with the Draft Response from the OC Shelter regarding the Grand Jury Report.

I wish it to be noted during the hearing on August 8th for the Board of Supervisors meeting.

I would like the County Supervisors to know that the Grand Jury Report is correct in all of its findings about the OC Shelter. I have read and understood those findings (attached in this email) and wish for my voice to be heard. Let us truly fight for those with no voice, our love for the animals and fear for their well-being and welfare should always be our guide.

Thank you for your consideration.

Respectfully,
Eiman Monem
